

# Il social learning con **edmodo**

*versione 2*

*gestire comunità di apprendimento*

Prof. Michele Maffucci

A poco più di un anno dall'uscita della prima edizione di “**Il social learning con edmodo**” diversi miglioramenti sono stati apportati alla piattaforma **edmodo** l'applicativo web gratuito di e-learning più famosa al mondo.

Alcune modalità operative, come l'iscrizione al servizio e i sistemi di sicurezza per la verifica dell'identità hanno reso il sistema più efficiente e ancora più vicino alle esigenze della scuola.

In occasione del corso: **edmodo - realizzazione di comunità di apprendimento**, organizzato dal **Centro Nuove Tecnologie e Disabilità (CTS) di Torino** ho realizzato la **versione 2** della presentazione: “**Il social learning con edmodo**” in cui vengono mostrate le nuove funzionalità e proposti esercizi da svolgere in laboratorio.

Il corso, che si svolge in due giornate da tre ore, è indirizzato a docenti di sostegno e curricolari provenienti da scuole di ogni ordine e grado.

Ringrazio fin d'ora chi vorrà segnalarmi correzioni e miglioramenti da apportare a questa lezione.

Per contatti ed ulteriori informazioni rimando all'ultima pagina di queste slide.

*Prof. Michele Maffucci*

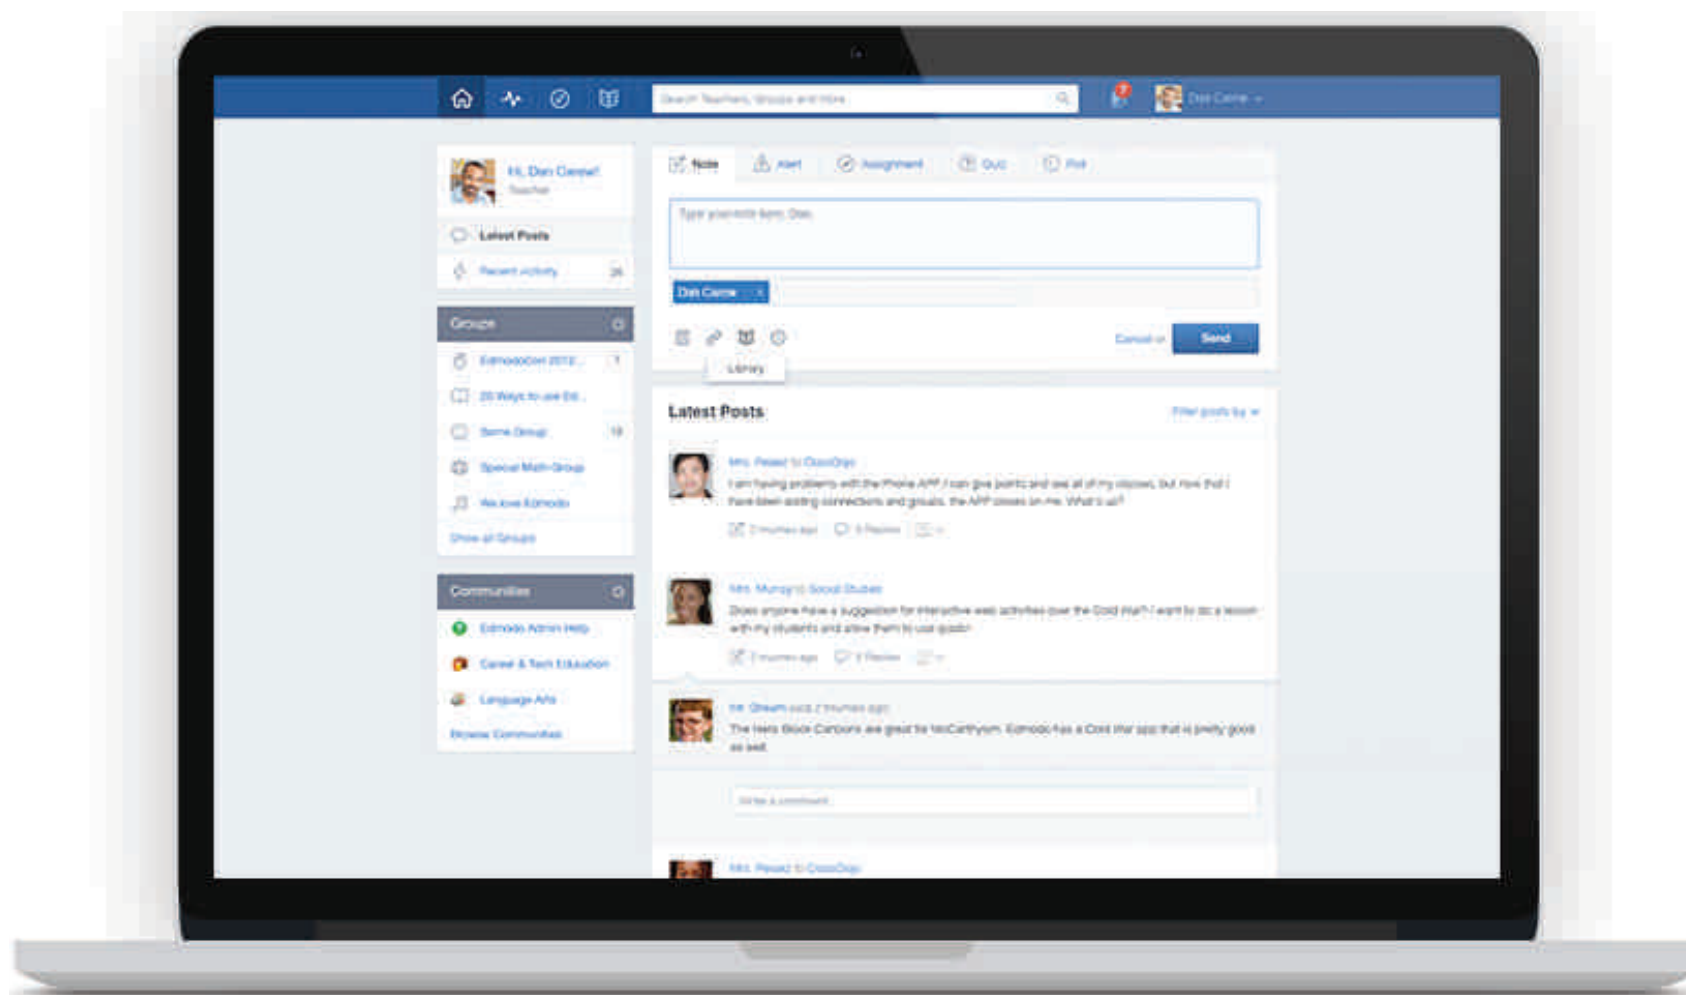

# Cos'è **edmodo**

- È un social network adatto per la creazione di comunità di apprendimento;
- permette di lavorare e mantenere contatti tra studenti, insegnanti e genitori;
- è possibile creare contesti didattici molto simili a quelli che ci possono essere in presenza in classe;
- è un sistema in cui il docente ha il pieno controllo sulla classe ed è in grado di gestire conversazioni, compiti, esercizi, calendario;
- è un sistema protetto, chiuso alla classe e non consente l'accesso a persone non invitate dal docente;
- è un sistema privo di pubblicità;
- ricorda sistemi di social network ben conosciuti dai ragazzi, come facebook, twitter, ecc...
- è GRATUITO.

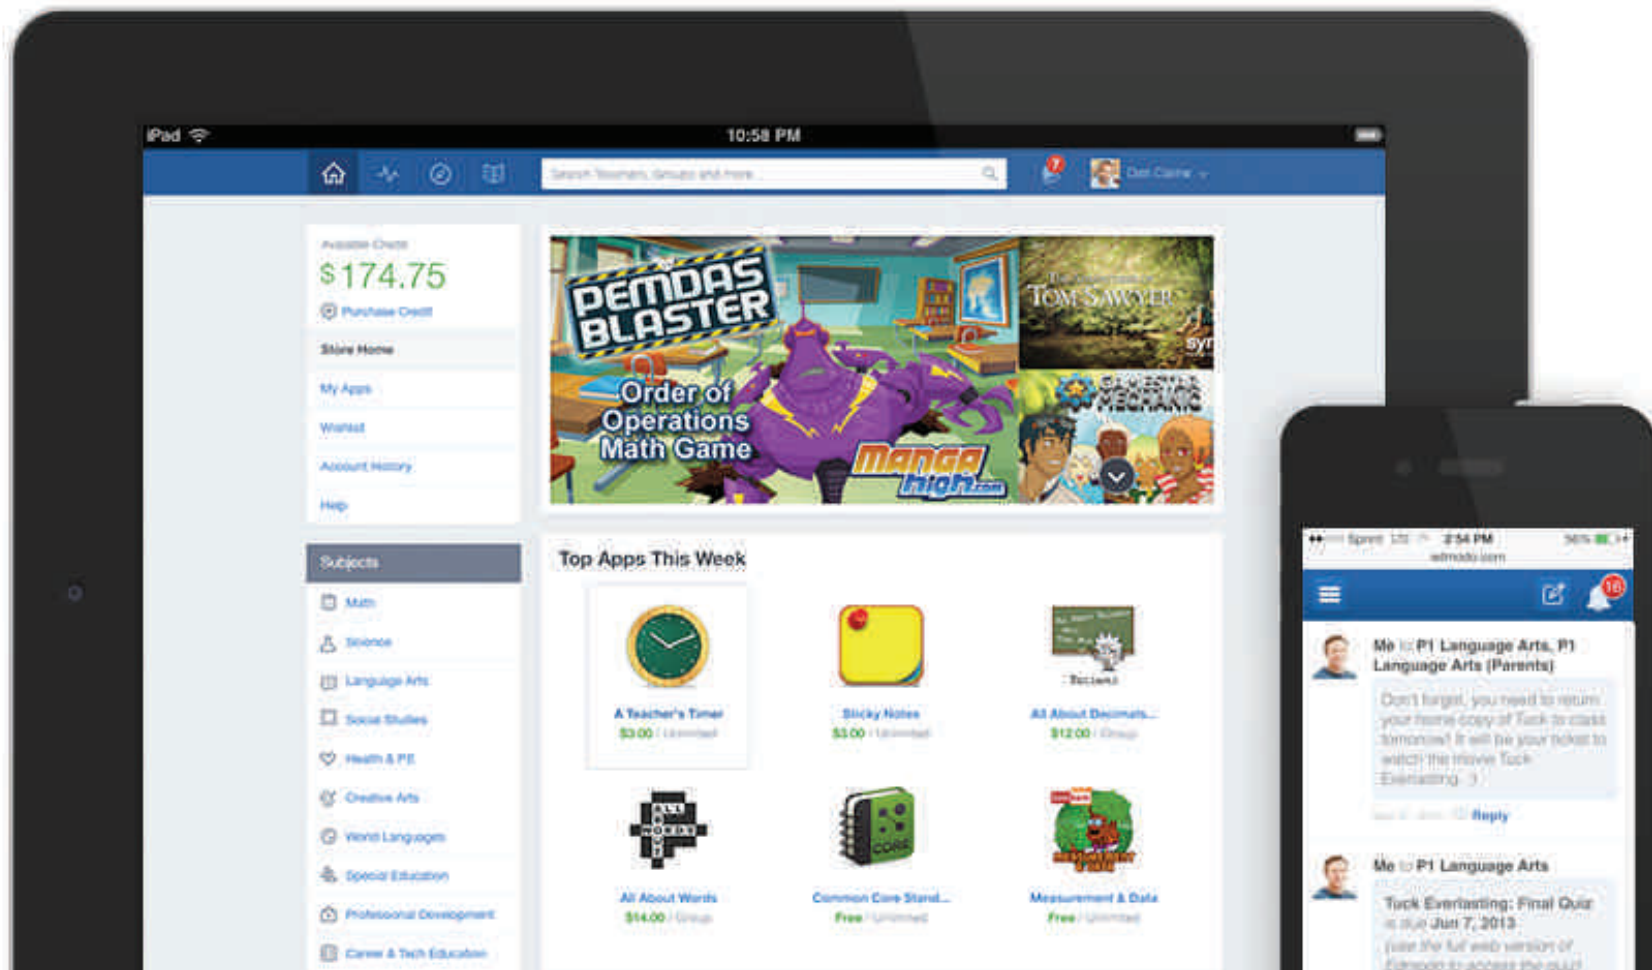

# Cosa si può fare

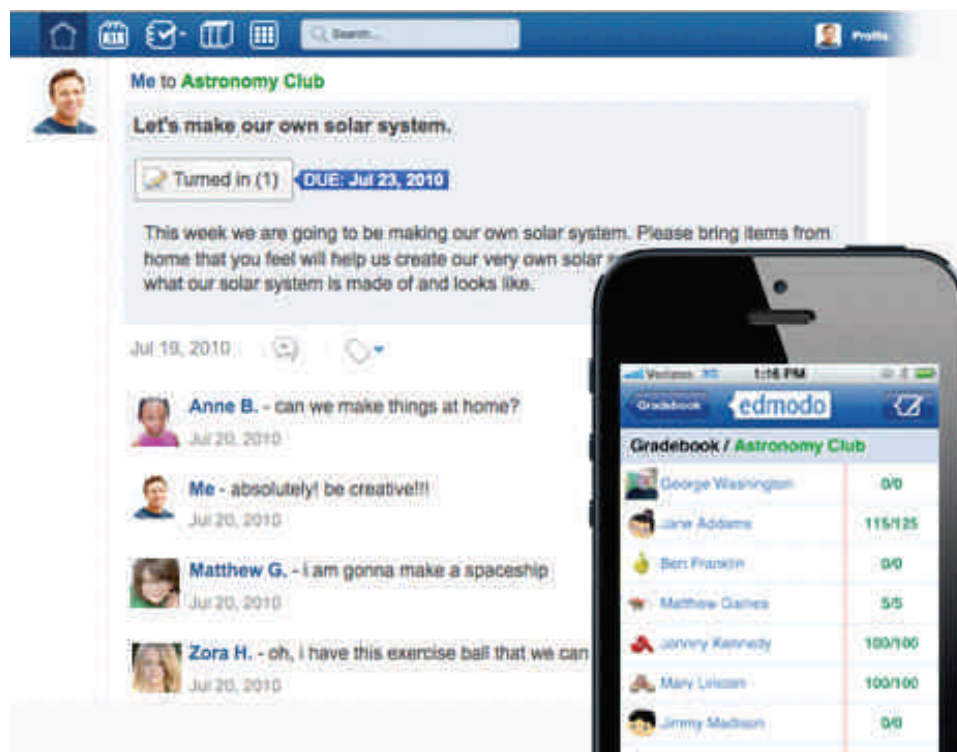

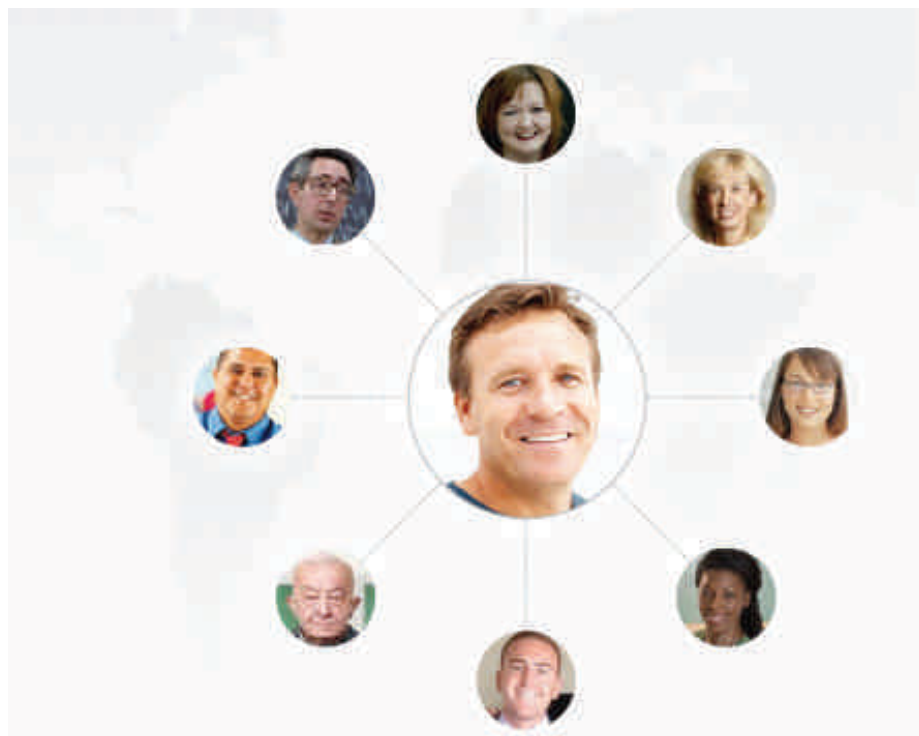

**edmodo** può essere usato da computer

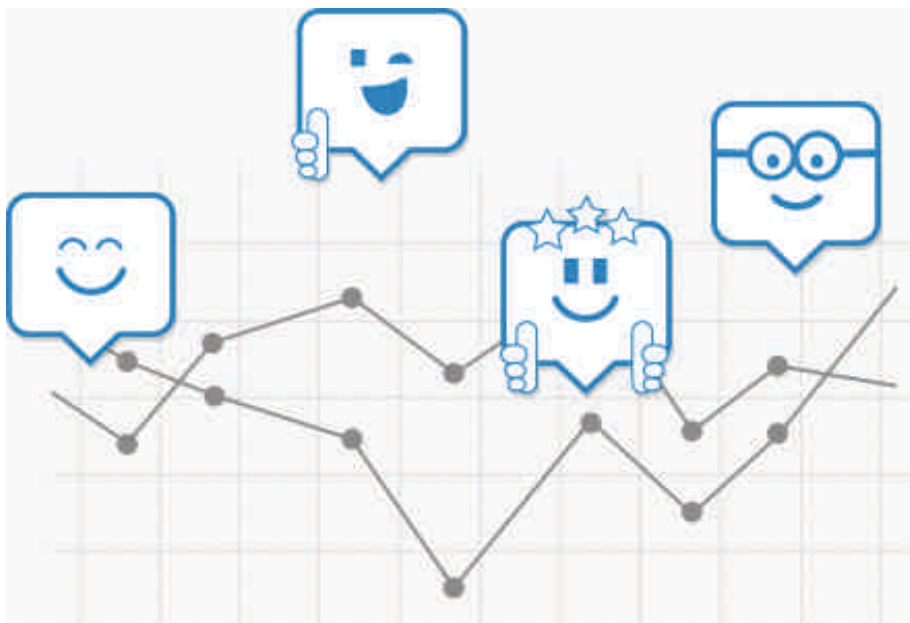

**edmodo** può essere usato da tablet e smartphone (iOS - Android)

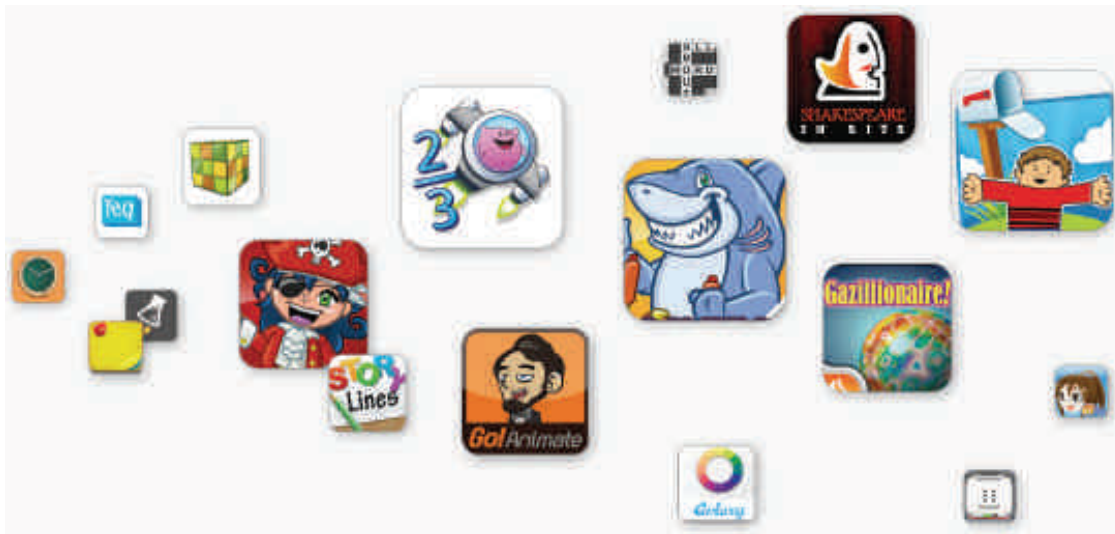

Le funzionalità e la grafica di **Edmodo** permettono di coinvolgere lo studente e farlo operare in un ambiente familiare. Gli insegnanti possono continuare on-line le discussioni iniziate in classe in presenza, possono assegnare sondaggi agli allievi per verificare la comprensione degli argomenti spiegati e aggiudicare badge per singoli studenti in base alle prestazioni o il comportamento.

In **Edmodo**, gli insegnanti sono al centro di una potente rete che li collega a studenti, amministratori, genitori ed editori. Questa rete offre la possibilità di costruire una formazione di alta qualità.

**Edmodo** rende semplice il controllo dei progressi degli studenti. Tutti i voti e i badge assegnati vengono archiviati e sono facilmente accessibili. Gli insegnanti possono avere sempre sotto controllo la situazione della classe attraverso l'analisi dei quiz, compiti e discussioni, ciò permette di attuare strategie per migliorare la comprensione degli argomenti e ridurre la confusione e la frustrazione dello studente nel comprendere gli argomenti spiegati.

E' possibile integrare in **Edmodo** applicazioni didattiche (gratuite o a pagamento) che aiutano gli insegnanti a migliorare l'azione didattica.

# Registrazione al sito

Al sito ci si può registrare in

**modalità insegnante**  
**modalità studente**  
**modalità genitore**

*analizziamo le tre possibilità*

The screenshot shows the Edmodo teacher dashboard. At the top is a dark blue navigation bar with icons for home, activity, calendar, and books, followed by a search bar labeled "Search posts, groups, users, apps and more". On the right of the bar are a bell icon and a user profile icon.

Below the navigation bar, the left sidebar contains a user profile for "Hi, Mr. Maffucci" (Teacher) with a "Verify Me" link. Below this are sections for "Groups" (showing "Mr. Maffucci's group" and a "Show All" link) and "Communities" (showing "Support" and a "Show All" link).

The main content area features a "Note" creation bar with tabs for "Note", "Alert", "Assignment", "Quiz", and "Poll". Below this is a "Latest Posts" section. A blue-bordered callout box titled "Set Up Your Classroom!" is overlaid on the posts, containing the text: "Click on one of your Groups to find out how to invite students and view members. It's quick and easy!". The first post in the "Latest Posts" section is from "The Edmodo Team", dated "5 minutes ago", and contains the text: "Start by [creating a group](#) for you and your students and you'll be on your way. Sincerely, The Edmodo Team".

On the far right, there is a vertical sidebar with icons for a calendar, a wrench, a grid, and a calendar showing the date "30".

At the bottom of the page is a footer with the text "Edmodo ©2015" followed by a series of links: "About", "Careers", "Newsroom", "Contact Us", "Classrooms", "Districts", "Community", "Blog", "Support", "Privacy", "Terms of Service", and "Languages".

The screenshot shows the Edmodo interface for a teacher named Mr. Maffucci. At the top, there is a navigation bar with icons for home, notifications, messages, and a search bar. Below the navigation bar, the teacher's profile is displayed with a greeting 'Hi, Mr. Maffucci' and a 'Verify Me' button. A brown callout box with an arrow points to the 'Verify Me' button, containing the text 'verifica dell'identità dell'insegnante'. To the right of the profile, there are buttons for 'Note', 'Alert', 'Assignment', 'Quiz', and 'Poll'. Below the profile, there are sections for 'Groups' and 'Communities'. A blue notification box titled 'Set Up Your Classroom!' is overlaid on the main content area, with the text: 'Click on one of your Groups to find out how to invite students and view members. It's quick and easy!'. The main content area also shows a post from 'The Edmodo Team' with the text: 'Start by creating a group for you and your students and you'll be on your way. Sincerely, The Edmodo Team'. The post is dated '5 minutes ago'.

Per garantire la sicurezza degli allievi, soprattutto i più giovani (al di sotto del 9° grado - 13-14 anni massimo), Edmodo ha attivato un sistema di sicurezza che prevede la verifica degli account degli insegnanti.

Il processo consiste nel dare indicazioni sulla propria presenza su web presso scuole o enti che rientrano in un ambito scolastico dando più indicazioni possibili riguardo alla propria attività lavorativa

Il processo di verifica può durare anche alcune ore.

The screenshot shows the Edmodo interface with a 'Get Verified!' modal window. The modal has a blue header with the title 'Get Verified!' and a question mark icon. Below the header, it states: 'In order to comply with federal regulations, teachers of students below the 9th grade are required to verify their teaching credentials. Verification is easy, and only needs to be done once!'. There are two main options for verification:

- Upload a verification form or photo ID:** Literally show us who you are with a school badge or government-issued ID, or simply print and sign a teacher verification form.
- Complete an online form:** Share some information about your professional credentials (e.g. education, certification, lesson plans) to help us verify you.

The 'Complete an online form' option is highlighted with a red border. A red arrow points from a callout box below to this option, stating 'Selezionare questa modalità'. Another red arrow points from a callout box to the first option, stating 'Questa modalità di verifica può essere effettuata solamente da insegnanti degli USA'. A third red arrow points from a callout box to the second option, stating 'Modalità di verifica per insegnanti ed operatori della scuola che NON svolgono attività in USA'. At the bottom of the modal is a 'Later' button.

Creazione gruppo

The image shows a screenshot of the Edmodo web interface. A dark blue navigation bar at the top contains icons for home, activity, search, and books, along with a search bar and user profile. Below this, a sidebar on the left shows a greeting 'Hi, Mr. Maffucci Teacher' and a 'Groups' section with a plus icon. A white dropdown menu is open from the plus icon, showing 'Create' and 'Join' options. A brown callout box with the text 'Creazione gruppo classe' and an arrow points to the 'Create' option. The main content area shows a 'Note' card with a text input field and buttons for 'Alert' and 'Assignment'. Below the note card, there are sections for 'Groups' (listing 'Corso LEGO Mindstorm avanzato' and 'Corso LEGO Mindstorm NXT') and 'Communities' (with a 'Support' link). The bottom of the page shows a post from 'Ciao Julian, Saluti :D' dated 'Dec 20, 2013'.

Dec 20, 2013

Ciao Julian, Saluti :D

The screenshot shows the Edmodo interface with a modal form titled "Bring your classroom onto Edmodo!". The form has three main input fields: "Name your group", "Select a Grade" (with a dropdown arrow and "or Range" link), and "Subject Area" (with a dropdown arrow). Below these fields is a paragraph: "Edmodo Groups help you connect and collaborate with your students in a closed, safe environment." At the bottom of the form, it says "Step 1 of 2", a "Learn more" link, and a "Create" button. On the left side of the screen, there is a "Groups" sidebar with a list of groups: "Corso LEGO Mindstorm NXT avanzato", "Corso LEGO Mindstorm NXT base", "Corso Scratch base", "Corso Arduino Avanzato", "Corso Arduino Base", and "E-learning classe 3Ace".

**Nome del gruppo** → Corso LEGO Mindstorm NXT datalogging Group

**Codice di iscrizione da dare all'allievo e dovrà essere inserito in fase iscrizione quando lo studente si collega a [www.edmodo.com](http://www.edmodo.com) ciò permetterà di iscriversi ad edmodo e direttamente al corso del docente senza nessuna approvazione da parte del professore. l'insegnante riceverà la notifica di iscrizione dell'allievo al corso.**

**Se il gruppo è stato chiuso (lucchetto chiuso) ogni richiesta di iscrizione al gruppo necessita di un'approvazione da parte del docente.**

**Numero di membri del gruppo** → 1 joined

**Facendo click sul lucchetto si chiude il gruppo ad altre iscrizioni. Nel caso il gruppo non venga chiuso manualmente, la chiusura avverrà automaticamente dopo 14 giorni**

**Your classroom is ready for students!**

1. Invite students to join by giving them this Group Code: **nz26qn**. Students can sign up for Edmodo using this code or join if they have an existing account.
2. Lock the Group Code once your students have joined and make sure not to post it publicly. This code will automatically lock 14 days after group creation. Any student joining with the locked Group Code will be placed into a queue for you to approve.
3. Share folders, create assignments, and get your classroom discussion going.

Le 3 fasi per la creazione della propria classe:

1. invitare i propri allievi mediante il *codice di gruppo*;
2. bloccare l'iscrizione al gruppo una volta che tutti gli studenti si sono registrati. Se non si procede alla chiusura manuale, l'iscrizione al gruppo viene chiusa dopo 14 giorni;
3. condivisione cartelle, assegnazione compiti, gestione discussioni di gruppo.

# Il registro di classe

The screenshot shows the Edmodo web interface. On the left sidebar, a list of classes is displayed, enclosed in a brown rectangular box. A brown arrow points from a label to this list. The classes listed are:

- My Student Badges
- Corso LEGO Mindstorm NXT base
- Corso LEGO Mindstorm NXT datalogging
- Corso Scratch avanzato
- Corso Scratch base
- E-learning classe 3Aoe

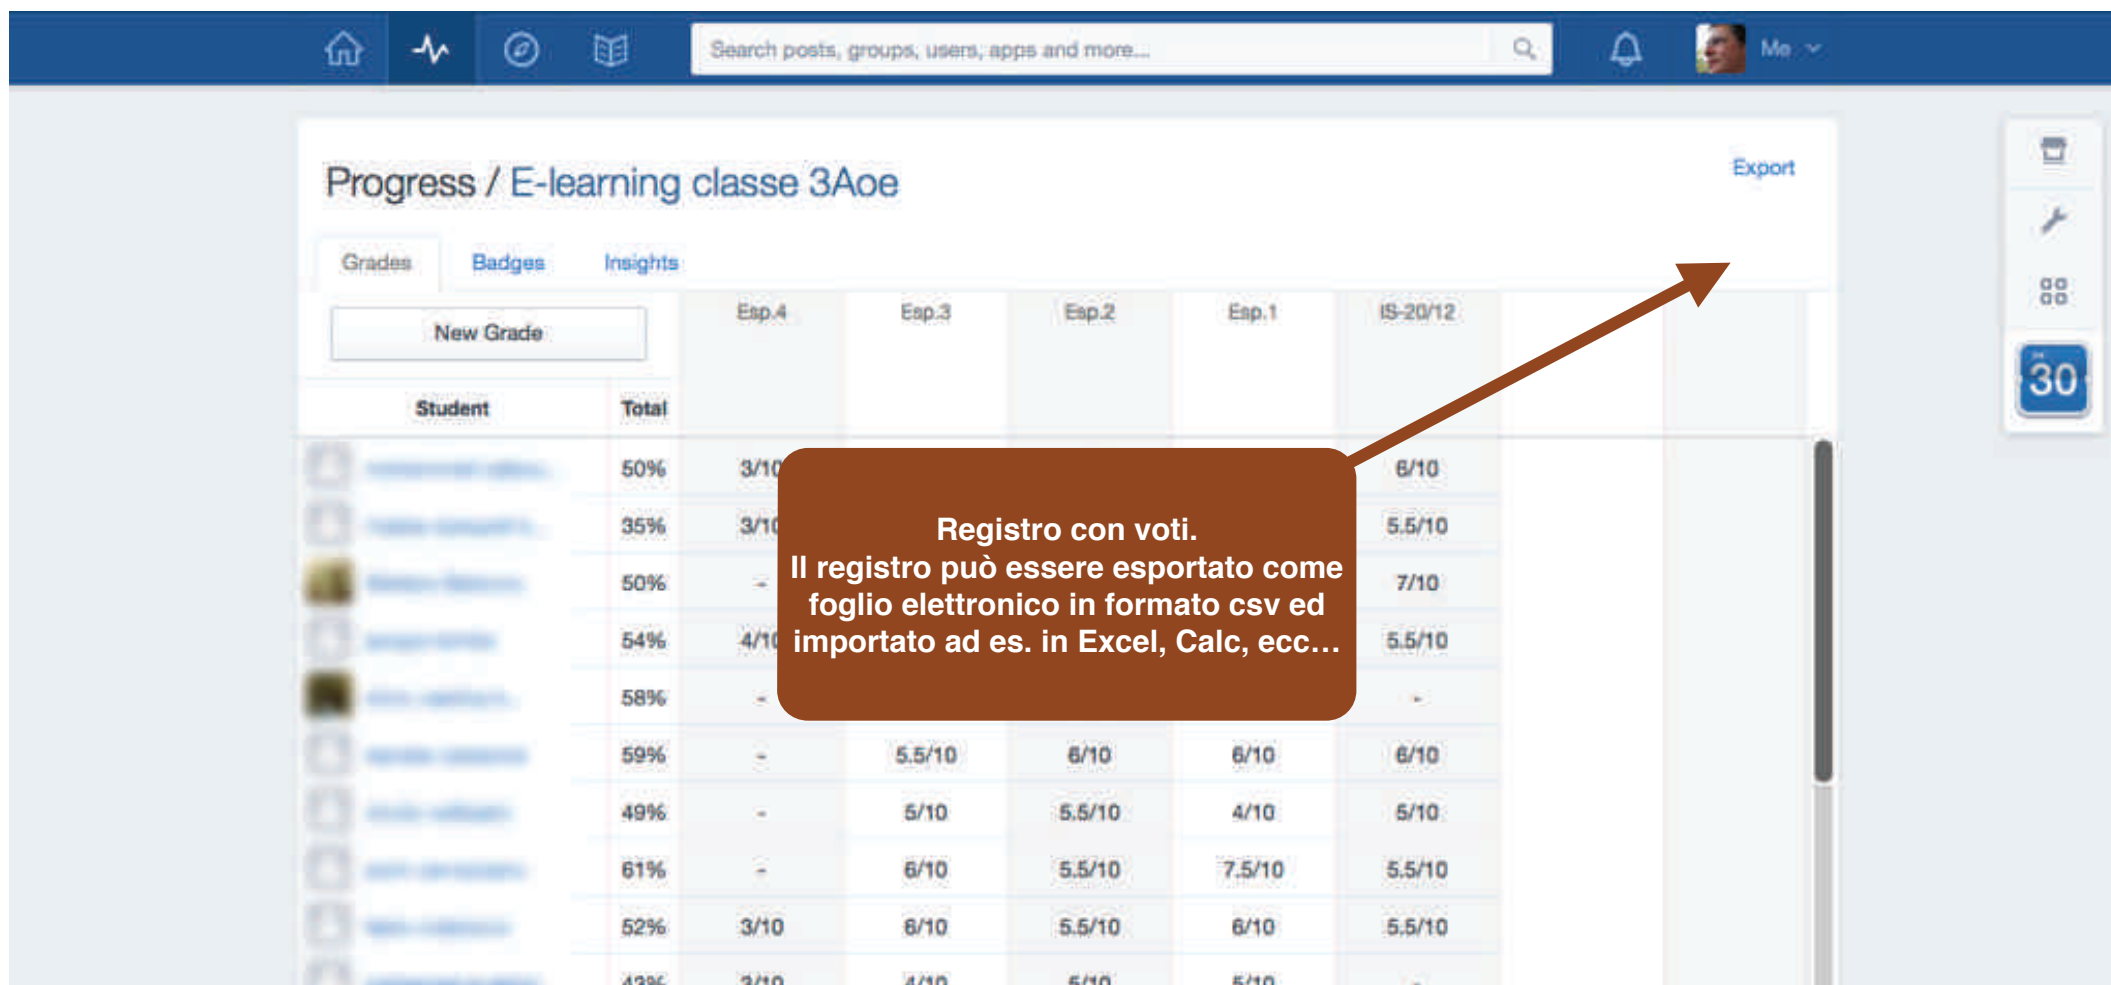

Below the list, there is a 'Members' section showing '1 joined' and a description of the course: 'Corso di formazione per l'utilizzo del Lego Mindstorms NXT come sistema di datalogging per la realizzazione di strumenti di misura per il laboratorio di fisica.' At the bottom of the sidebar is a 'Small Groups' button.

In the center of the page, there is a section titled 'Your classroom is ready for students!' with a diagram of five people icons connected by lines. Below this is a padlock icon. To the right of the padlock icon, there are two numbered steps:

- 1 Invite students to join by giving them this Group Code: **nz26qn** Students can sign up for Edmodo using this code or join if they have an existing account.
- 2 Lock the Group Code once your students have joined and make sure not to post it publicly. This code will automatically lock 14 days after group creation. Any student joining with the locked Group Code will be placed into a queue for you to approve.

At the top of the interface, there is a search bar with the text 'Search posts, groups, users, apps and more...' and a navigation bar with icons for home, feed, calendar, and books. On the right side, there is a user profile icon and a calendar showing the date '30'.

# Verifiche

The image shows a sequence of steps for creating a quiz in Edmodo. It starts with a main interface where the 'Quiz' tab is selected. Two arrows point to sub-screens: one for creating a new quiz and another for loading a previously created one. The 'Load a previously created Quiz' screen shows a list of quizzes with options to edit or delete them.

**1** Selezionare: "Quiz"

**2A** Creare un Quiz

**2B** Seleziona e un Quiz precedentemente creato

Possibilità di modificarlo (Edit) oppure cancellarlo (Delete Quiz)

The screenshot shows the Edmodo quiz creation interface. At the top, there is a blue navigation bar with icons for home, a heart, a clock, and a book. Below this, the main area is titled 'Untitled quiz -2013-12-29-10-31-53'. To the right of the title is a 'Time Limit' field set to 'Minutes'. On the right side, there is a sidebar with an 'Assign Quiz' button, 'Preview' and 'Print' links, and a 'Quiz Options' section with checkboxes for 'Show results' and 'Randomize questions'. The main content area prompts the user to 'Add your first question to start creating a quiz...'. Below this prompt, there is a 'Type:' dropdown menu currently set to 'Multiple Choice', followed by '+Add First Question' and 'or Load First Question' buttons. A large question mark icon is visible in the background. Five brown callout boxes with arrows point to specific elements: 1. 'Titolo (può essere modificato)' points to the quiz title. 2. 'Tempo da assegnare al Quiz' points to the 'Time Limit' field. 3. 'Tipologia di test: scelta multipla, vero/falso, risposta breve, testo cloze' points to the 'Type:' dropdown menu. 4. 'Assegnare la prima domanda' points to the '+Add First Question' button. 5. 'Prelevare una domanda precedentemente creata' points to the 'or Load First Question' button. A zoomed-in view of the 'Type:' dropdown menu is shown in the bottom left, listing options: 'Multiple Choice' (selected), 'True False', 'Short Answer', 'Fill in the blank', and 'Matching'.

The image shows the Edmodo quiz creation interface with several annotations in Italian:

- Rimuovere la domanda** (Remove the question) points to the "Remove Question" button.
- Assegnare il Quiz** (Assign the Quiz) points to the "Assign Quiz" button.
- Visualizzare l'anteprima del Quiz** (View the quiz preview) points to the "Preview" button.
- Stampare il Quiz** (Print the Quiz) points to the "Print" button.
- Area in cui inserire la domanda** (Area to insert the question) points to the "Question Prompt" text area.
- Lista domande con possibilità di selezione e modifica** (List of questions with selection and modification options) points to the "QUESTIONS" list on the left.
- numero totale di domande** (Total number of questions) points to the "17" count in the "About this Quiz" section.
- Descrizione del Quiz** (Quiz description) points to the text "Rispondere a ogni domanda che trovi sulla tua sinistra. Dopo aver risposto..."
- Al termine del Quiz visualizzare le risposte, in cui verranno visualizzate quelle giuste e quelle sbagliate** (At the end of the Quiz, display the answers, in which the correct and incorrect ones will be displayed) points to the "Show results" checkbox.
- Creare casualità nel sottoporre le domande** (Create randomness in submitting the questions) points to the "Randomize questions" checkbox.

The screenshot displays the edmodo interface for creating and managing a question. The main components and their functions are as follows:

- Question Prompt:** The area where the question text is entered. In this example, it says "Il simbolo grafico in figura rappresenta:". This area is highlighted with a callout: "Area in cui inserire la domanda".
- Image Upload:** Below the prompt, there is a section for attaching images. An example shows a file named "01.jpg" with a red 'x' icon. A callout points to this area: "Immagine. Al click visualizzazione ingrandita".
- Responses:** A list of answers submitted by students. In this case, three responses are shown:
  - A Messa a terra:** This response is highlighted in green, indicating it is the correct answer. A callout points to it: "Risposta corretta visualizzata in verde".
  - B Massa**
  - C Terra di protezione**
- Attachments:** Each response has an "Attach:" section with icons for linking or adding content. A callout points to these icons: "Allegare link o elementi della libreria".
- Correct Answer Confirmation:** A callout points to the "Correct Answer" label next to response A: "Al click si può stabilire se la domanda è quella corretta, automaticamente le altre saranno quelle sbagliate.".
- Adding a New Response:** A callout points to the "Add Response" button at the bottom: "E' possibile aggiungere domande".
- Removing a Response:** A callout points to the "Remove Answer" button next to response C: "E' possibile rimuovere la domanda".
- Response Selection:** A callout points to the list of responses: "Risposte. In questo caso scelta tra 3".

# Inserimento di formule matematiche nelle verifiche

In edmodo è stato inserito il supporto a **LaTeX**.

LaTeX è un linguaggio di markup usato per la realizzazione di testi e la sua ottima gestione dell'impaginazione delle formule matematiche lo rende largamente utilizzato da: matematici, fisici, informatici, sociologi, ingegneri ed accademici.

Anche Wikipedia utilizza LaTeX per la scrittura di formule.

Per includere equazioni matematiche in note o domanda di un Quiz su edmodo bisogna scrivere la formula in LaTeX inclusa tra i tag:

```
[math] ... [/math]
```

questo genera un'immagine che corrisponde alla formula scritta che sarà visualizzata nel post.

Scrivi all'interno di un quiz ad esempio:

$$\lim_{x \rightarrow \infty} \exp(-x) = 0$$

oppure:

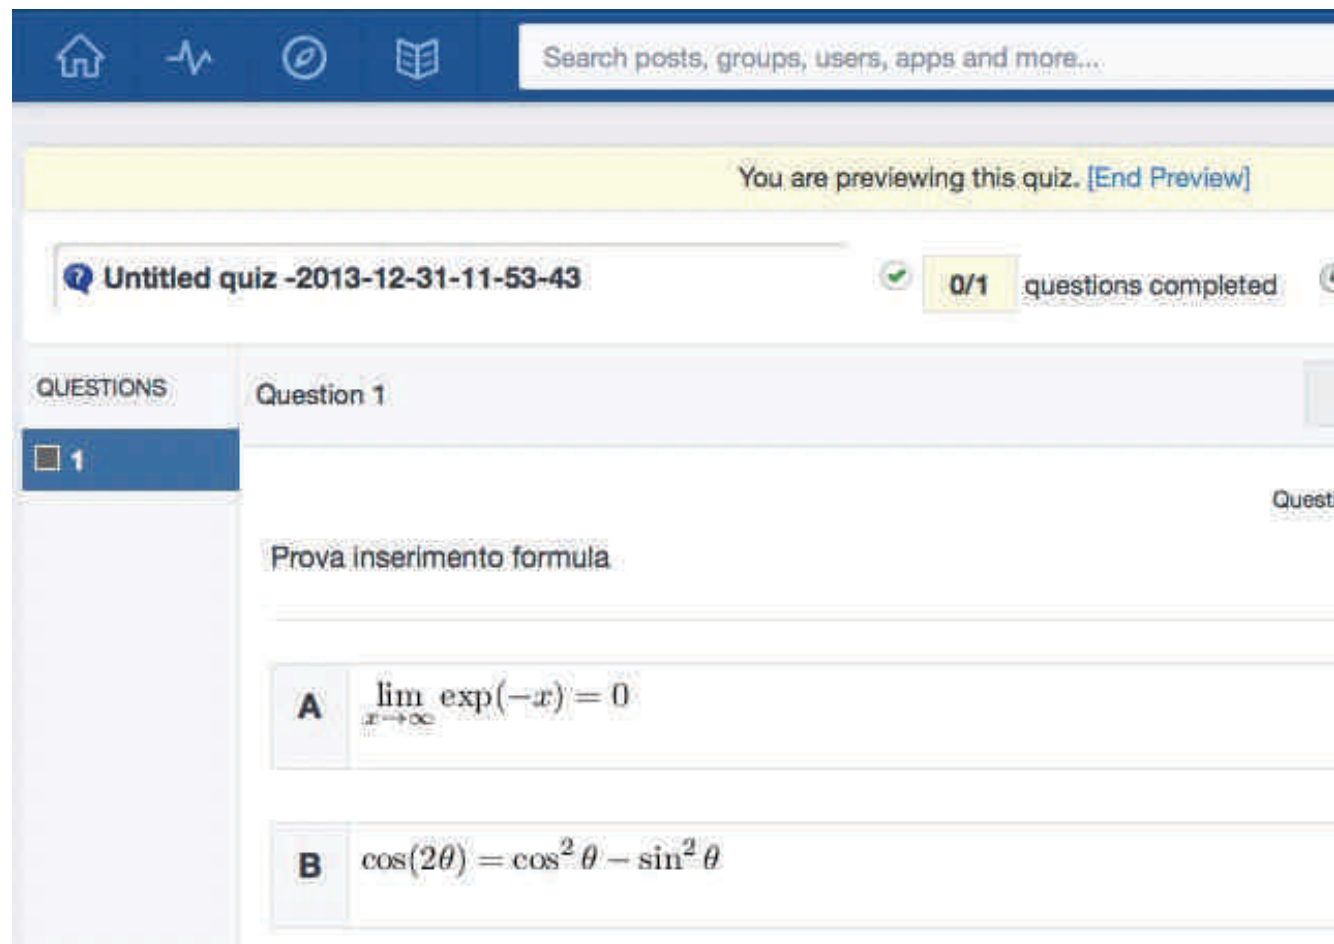

$$\cos(2\theta) = \cos^2 \theta - \sin^2 \theta$$

# LaTeX:

```
[math] \lim_{x \rightarrow \infty} \exp(-x) = 0 [/math]
```

```
[math] \cos(2\theta) = \cos^2 \theta - \sin^2 \theta [/math]
```

Il risultato sarà:

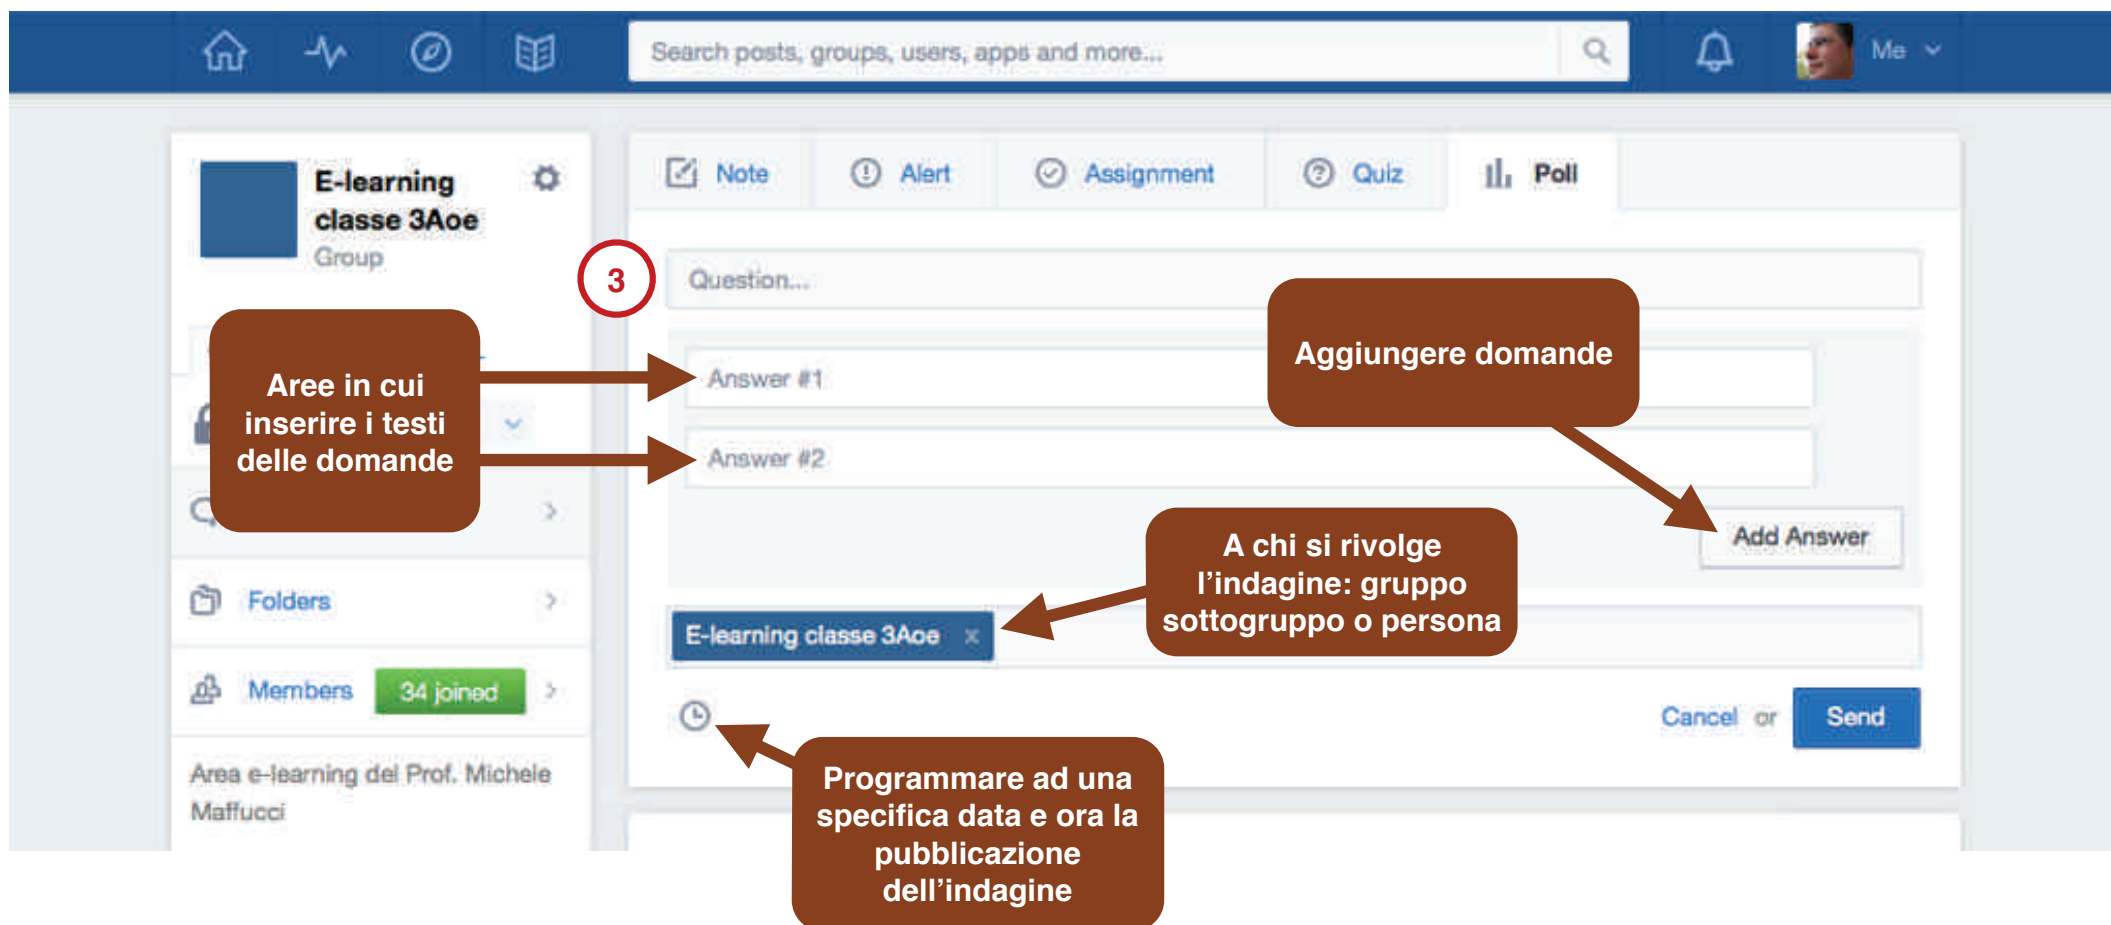

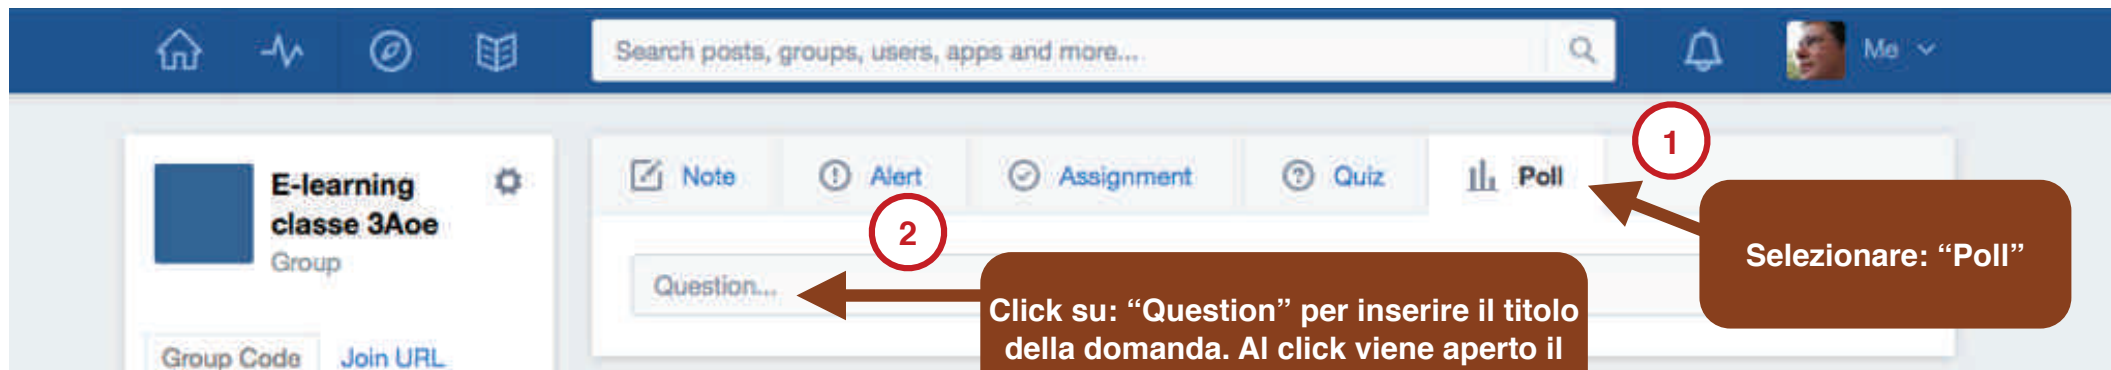

Per approfondire l'uso di LaTeX di seguito alcune risorse utili:

- [LaTeX/Mathematics](#)
- [LaTeX Symbol Reference for High School Level Mathematics Using Edmodo](#)
- [Using LaTeX in Edmodo – tutorial video](#)
- [Online latex equation editor](#)
- [Scrittura di semplici caratteri matematici](#)
- [Manuale LaTeX ben fatto in italiano](#)

## REGISTRAZIONE COME STUDENTE

The image shows the Edmodo website's student registration page. A large blue arrow points to the 'STUDENTS' tab, with the annotation 'Selezionare "STUDENTS"'. The registration form includes fields for 'Group Code', 'First Name', 'Last Name', 'Username', 'Email (Optional)', and 'Password'. Annotations on the right side point to these fields: 'Codice gruppo fornito dall'insegnante' for Group Code, 'Cognome' for Last Name, 'e-mail (opzionale)' for Email (Optional), and 'Registrarsi' for the 'Sign Up for Free' button. On the left side, annotations point to the 'First Name', 'Username', and 'Password' fields: 'Nome' for First Name, 'Nome utente (a scelta)' for Username, and 'Password' for Password. The page also features a navigation bar with links for 'ABOUT', 'CLASSROOMS', 'SCHOOLS & DISTRICTS', and 'SUPPORT', along with login fields for 'Email or Username' and 'Password', and a 'Log In' button. A footer note states: 'By clicking, you and your parent agree to our Terms of Service & Privacy Policy.'

PAGINA DELLO STUDENTE

The screenshot shows the Edmodo student dashboard. At the top is a navigation bar with icons for home, a pulse line, a calendar, a search bar (containing 'Search posts, groups, users, apps and more'), a bell, and a user profile icon. Below the navigation bar, the main content area is divided into several sections. On the left, there's a sidebar with 'Groups' (showing 'Corso Edmodo' and a 'Show All' link), 'Communities' (showing 'Itsse "levi-arduino"'), and 'Parent Code'. The 'Parent Code' section in the sidebar contains the text 'Give this code to your parents so they can create an Edmodo account:' and a blue button with the code 's38xc3'. An arrow points from this button to a larger, magnified callout box on the right. This callout box has a dark blue header 'Parent Code' and contains the same text and code button as the sidebar. To the right of the main content area, there's a 'Latest Posts' section with a post from 'Edmodo to Me' that says 'Welcome! Now you can connect to all your classes in one place...'. Further right, there's a calendar widget showing the date '30'.

The screenshot shows the Edmodo parent portal interface. At the top is a navigation bar with a home icon, a calendar icon, a grid icon, a search bar, an 'Add a Student' button, and an 'Account' dropdown. Below the navigation bar is a banner for 'Parent-teacher conferences are so yesterday' with a 'Download for iPhone' link. A brown box highlights the 'Notifications' section, which contains five icons representing different types of notifications. Another brown box highlights the 'Latest Posts' section, which shows two posts: 'UTS Necessità educative speciali to Michele M.' and 'Edmodo to Michele M.'. A third brown box highlights the 'Students' and 'Teachers' sections on the right side of the page. Arrows point from the text boxes to these sections.

**Parent-teacher conferences are so yesterday**  
Twice a year isn't enough to understand what's going on in school. The Edmodo for Parents iPhone app tells you what's happening in the classroom every day.

The image shows a screenshot of the Edmodo parent interface. At the top, there is a navigation bar with icons for home, calendar, and a search bar. Below this, there are several circular icons representing different features. Three brown callout boxes with white text and arrows point to these icons: 'Calendario eventi della classe' points to the calendar icon, 'Applicazioni installate' points to the applications icon, and 'Aggiungere un altro studente' points to the 'Add a Student' button. A red circle with the number '1' is placed next to the 'Add a Student' button. In the center of the page, there is a post titled 'UTS Necessità educative speciali to Michele M.' with a 'Quiz Results' section. A brown callout box with the text 'Codice parente' and an arrow points to a red circle with the number '2' located near the 'Add student' modal. This modal is open, showing a form with the title 'Add student'. It contains a text input field for 'Enter the student's Parent Code:' and a dropdown menu for 'Select relation to student:' with options: 'Relation' (selected), 'Mom', 'Dad', and 'Other'. The bottom of the page features a footer with copyright information and language options.

Select relation to student:

- ✓ Relation
- Mom
- Dad
- Other

The screenshot shows the Edmodo website interface. At the top, there is a navigation bar with icons for home, calendar, and a grid, followed by a search bar and an 'Add a Student' button. On the right, there is an 'Account' dropdown menu. Below the navigation bar, the main content area is divided into sections. The 'Notifications' section at the top left shows various icons for assignments, tests, and events. The 'Latest Posts' section below it displays a post from 'UTS Necessità educative speciali to Michele M.' with a 'Test 02' and 'Quiz Results' section. The right sidebar contains sections for 'Students' (Michele M.), 'Teachers' (UTS Necessità educative speciali), and 'Schools' (Itsse "levi-arduino" School). Two brown callout boxes with arrows point to the 'Account' dropdown menu: one labeled 'Impostazioni' points to the 'Settings' option, and another labeled 'uscita' points to the 'Logout' option.
